Notes

Pallet height is including pallet.

Maximum pallet height is 210 cm.

Height of the carton can vary in function of the product volume.

Maximum carton height is 430 mm.

Tare weight of the boxes is average weight.

For private label and customized palletization, the 2 last digits of the article code differs. If applicable, conditions as contractually agreed.

For special cut sizes and package, please ask for our conditions and availability.
